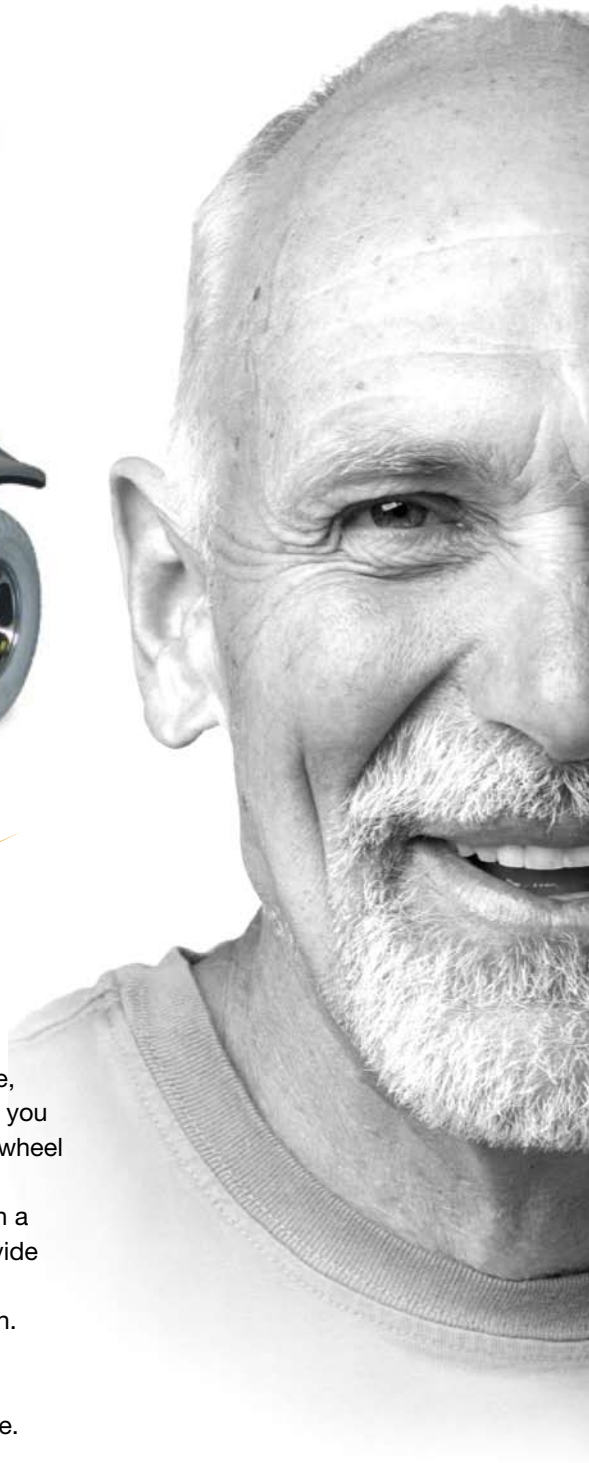
WINNER

All-round scooter

An optimal solution for everyone
Perfect driving
Very user-friendly
Safety & reliability



Winner. A truly all-round scooter. Whether you use it around the house, at the shopping mall or just to enjoy a beautiful day, the Winner will give you the extra mobility you need – fast and comfortably. Available in 3 and 4 wheel models, this elegant scooter combines performance and comfort with maximum manoeuvrability. The Winner is also extremely user-friendly with a clear control panel and throttle control which can be customized to provide either right or left-hand control. Infinite tiller positioning ensures optimal accessibility as well as a good view of the tiller console in every situation. With individually adjustable maximum speed up to 15 kph / 8 mph, a maximum user weight of up to 160 kg, plenty of leg space, all-round suspension and a huge range, the Winner is suitable for almost everyone. This also makes the scooter very easy to re-use in nursing homes and even shop mobility schemes. The Winner, a truly all-round scooter.

WINNER

An optimal solution for everyone

With individually adjustable maximum speed, a maximum user weight of up to 160 kg, plenty of leg space, all-round suspension and a huge range, the Winner is suitable for almost everyone.

Perfect driving

Strong and powerful, the Winner couples performance and comfort with maximum manoeuvrability. Variable maximum speed up to 8 mph and huge range from 80 Ah battery option.

Very user-friendly

The Winner is easy to operate with a clear control panel and throttle control which can be customized on the right or left-hand side. Infinite tiller positioning for optimal accessibility.

Safety & reliability

Strong lights ensure optimal visibility, while you can be well seen by others. Separate brake light and parking brake. Heavy-duty front and rear bumpers further enhance safety and reliability.
