

The new route to total freedom

Going places has never been easier

Finally, a scooter that combines all the advantages of a transportable scooter with features only normally found on larger road-going models. The Liteway 6 is uniquely practical – the first and only Class 3, transportable, aluminium scooter on the market.

Designed to travel further in comfort at 6mph, the Liteway 6 is equally at home on the road and about town. You've never had it so good!

Rascal
