

# Rascal 388

## Redesigned and even more refined

The redesigned Rascal 388 from Electric Mobility Euro is the perfect scooter for taking you out and about in comfort and style.

Manufactured by Pihsiang, the Rascal 388 combines safety with performance and the recent refinements have put this 4-wheeled scooter in a class of its own.

The new look Rascal 388 features a luxurious Captain's seat, lift-up arm rests with adjustable width, a 5-position adjustable tiller and a lift-up tiller head for easy access. It can also be dismantled for transportation ensuring you are never without your favourite Rascal.

Visit your local Electric Mobility dealer and see why the Rascal 388 is going to be one of the most popular scooters in the UK.
