

The Viscount Range

Contemporary modern styling – understated luxury

Features

Unashamedly luxurious, the Viscount combines contemporary styling with absolute comfort. Specifically designed to alleviate medical conditions such as arthritis, rheumatism and poor circulation, the compact Viscount makes sitting, reclining and standing easier.

To maximise support and comfort, the Viscount features a beautifully contoured and seamed backrest. A six-button handset allows you to optimise your leg and backrest position. Benefitting from our unique Maxicomfort™ zero gravity-like positioning, the Viscount helps distribute pressure throughout the seat base and maintains your natural seating position.

As comfortable as it is attractive, this dual motor riser-recliner is perfectly proportioned with clean, modern lines; finished in our soft, luxurious Brisa material that is water-resistant, breathable, and easy to clean.

Take it easy and relax.

All Viscount models feature:

- Smart Tek
- Head rest cover
- Quick-release hand control
- Battery back-up (power failure)
- Coffee Bean Brisa (as standard)

Also available with:

- Heat and massage
- Leg rest extension
- Head rest pillow
- Castors (lockable)
